PART 01

The City of Zhanjiang

The City of Zhanjiang

One of the first batch of the Marine Economic Pilot Cities.

The City of Zhanjiang

One of China's Outstanding Tourist Cities for many natural wonders, including: volcanoes, the ocean, a golden coastline, etc

The City of Zhanjiang

An international corridor of the
21st-century Maritime Silk Road

The City of Zhanjiang

A noted historic and cultural city with profound tradition and folklore

The City of Zhanjiang

A picturesque coastal city located in the southernmost tip of mainland China

The City of Zhanjiang

One of the 100 Comprehensive
Strength Cities of China

The City of Zhanjiang

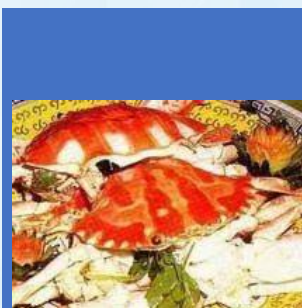

A key transportation hub
for Southwest China

The City of Zhanjiang

Capital of Seafood and Gourmet Food of China

The City of Zhanjiang

The City of Zhanjiang

One of China's Model Cities for Living Environment and a National Garden-Style City

PART 02

About GDOU

About GDOU

Founded in 1935.

Located both in Zhanjiang and Yangjiang (new campus), covering a total area of 559.5 hectares.

3 first-level PhD disciplines, two new mainly-built disciplines. 9 first-level research master' s disciplines (including 44 programs), 6 professional master' s disciplines (including 14 programs), and 81 undergraduate majors.

19 colleges in Zhanjiang
5 colleges in Yangjiang

35,000-plus students, including undergraduate, master, PhD, and international students.

1567 teaching staff, 79 PhD supervisors, and 339 master supervisors.

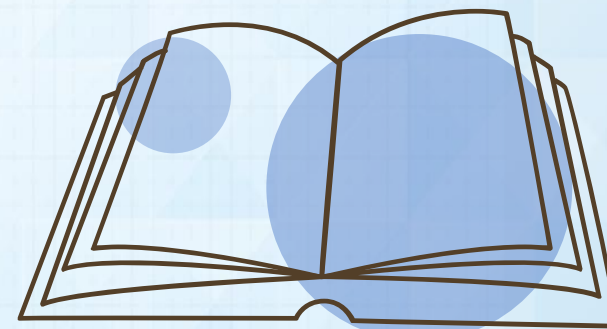

1 national-level and 14 provincial/ministry- level experimental teaching demonstration centers, 33 provincial/ministry-level scientific research platforms, and 2 National Marine Science Education Bases.

About GDOU

History of GDOU

2005 Guangdong Ocean University

1997 Zhanjiang Institute of Aquaculture
----zhanjiang Ocean University

1935 Provincial Senior Fishery
Vocational School of
Guangdong Province

About GDOU

19 Colleges in Zhanjiang

- 1.College of Fisheries
- 2.College of Ocean and Meteorology
- 3.College of Food Science and Technology
- 4.College of Coastal Agriculture
- 5.College of Mechanical and Power Engineering
- 6.College of Marine Engineering
- 7.College of Marxism
- 8.College of Economics
- 9.College of Management
- 10.College of Mathematics and Computer Science
(College of Software)

Colleges

- 11.College of Electronic and Information Engineering
- 12.College of Chemistry and Environment
- 13.Maritime College
- 14.College of Literature and News Communication
- 15.College of Law and Politics
- 16.College of Foreign Languages
- 17.Zhongge College of Arts
- 18.College of Sports and Leisure
- 19.College of Continuing Education

5 Colleges in Yangjiang

- 1.College of Mechanical and Energy Engineering
- 2.College of Materials Science and Engineering
- 3.College of Computer Science and Engineering
- 4.College of Food Science and Engineering
- 5.Business School

Programs

About GDOU

Undergraduate Programs

1. Aquaculture
2. Marine Fisheries Science and Technology
3. Aquatic Animal Medicine
4. Bioscience
5. Food Science and Engineering
6. Food Quality and Safety
7. Bioengineering
8. Atmospheric Science
9. Applied Meteorology
10. Marine Science

11. Animal Science
12. Veterinary Medicine
13. Horticulture
14. Landscape Architecture
15. Forestry
16. Biotechnology
17. Agronomy
18. Machine Design Manufacturing and Automation
19. Material Forming and Control Engineering
20. Mechatronic Engineering

About GDOU

Undergraduate Programs

- 21. Energy and Power Engineering
- 22. Industrial Design
- 23. Industrial Engineering
- 24. Building Environment and Energy Engineering
- 25. Naval Architecture and Ocean Engineering
- 26. Harbor, Channel and Coastal Engineering
- 27. Engineering Management
- 28. Communications and Transportation
- 29. Marine Electrical and Electronic Engineering
- 30. Marine Engine Engineering
- 31. Navigation Technology
- 32. Information and Computer Science
- 33. Computer Science and Technology
- 34. Software Engineering
- 35. Engineering of Internet of things
- 36. Information Management and Information System
- 37. Data Science and Big Data Technology
- 38. Electronic Science and Technology
- 39. Electronic Information Engineering
- 40. Automation

About GDOU

Undergraduate Programs

- 41. Electrical Engineering and Automation
- 42. Communication Engineering
- 43. Marine Technology
- 44. Pharmaceutical Engineering
- 45. Applied Chemistry
- 46. Agricultural Resources and Environment
- 47. Environmental Science
- 48. Agricultural Resources and Environment
- 49. Economics
- 50. International Economics and Trade

- 51. Economics and Finance
- 52. Public Affairs Management
- 53. Public Administration
- 54. Land Resources Management
- 55. Business Administration
- 56. Accounting
- 57. Financial Management
- 58. Tourism Management
- 59. Chinese Language and Literature
- 60. Teaching Chinese to Speakers of Other Languages

About GDOU

- 61. Secretarial Science
- 62. Journalism
- 63. Editing and Publishing
- 64. Law
- 65. Politics and Administration
- 66. Sociology
- 67. English
- 68. Japanese
- 69. Music
- 70. Choreography

Undergraduate Programs

- 71. Fine Arts
- 72. Performance
- 73. Visual Communication Design
- 74. Environmental Design
- 75. Clothing and Apparel Design
- 76. Product Design
- 77. Techniques of Broadcasting & Anchoring
- 78. Guidance and Management of Social Sports
- 79. Leisure Sports
- 80. Forest Conservation and Recreation
- 81. The Internet and New Media

About GDOU

Master's Programs

1. Applied Economics
2. Physical Oceanography
3. Marine Chemistry
4. Marine Resources and Environment
5. Marine Biology
6. Marine Technology
7. Machine Engineering
8. Computer Science and Technology
9. Food Science and Engineering
10. Crop Cultivation and Farming System

About GDOU

Master's Programs

11. Crop Genetics and Breeding
12. Crop Ecology
13. Tropical Horticultural Crop Science
14. Animal Genetics, Breeding and Reproduction
15. Animal Nutrition and Feed Science
16. Animal Production
17. Aquaculture
18. Business Administration
19. Mechanical Engineering
20. Aquaculture
21. Marine Science
22. Agricultural Engineering and Information Technology
23. Animal Husbandry

About GDOU

PhD Programs

Food Science and Engineering

1. Food Preservation and Processing Theory and Technology
2. Food Nutrition and Health
3. Food Bioactive Substances and Functions

Aquaculture

1. Marine Fishery Resources and Protection
2. Aquatic Biotechnology
3. Immunization and Disease Control of Aquatic Animals
4. Aquatic Animal Nutrition and Feed
5. Aquatic Animal Reproduction and Breeding

Marine Science

1. Physical Oceanography
2. Marine Meteorology
3. Marine Chemistry
4. Ocean Engineering and Technology

Category	Application Deadlines	Enrollment Dates	Tuition
One-month Program	1. November 20 for Spring Term 2. May 10 for Fall Term	Spring term starts from March Fall term starts from September	RMB ¥2,000.00/person
Three-month Program			RMB ¥6,000.00/person
Six-month Program			RMB ¥8,000.00/person
One-year Program			RMB ¥16,000.00/person

Programs

Application Documents

I. To apply for undergraduate programs

1. A senior high school diploma or its equivalent is required.
2. To apply for science programs, applicants should get HSK4 equal to or greater than 180;
To apply for liberal arts programs, applicants should get HSK5 equal to or greater than 210
because all the undergraduates are taught in Chinese.
3. Non-criminal records.
4. Below the age of 30.
5. Good health.

Programs

Application Documents

II.To apply for master' s programs

- 1.A bachelor' s degree is required.
- 2.To apply for science programs, applicants should get HSK4 equal to or greater than 180; To apply for liberal arts programs, applicants should get HSK5 equal to or greater than 210 because all the undergraduates are taught in Chinese.
 - a. To apply for programs taught in English, applicants from non-English-speaking countries or regions should provide a TOEFL transcript with the score equal to or greater than 70 or an IELTS one with the score equal to or greater than 5.5.

- 3.If having received education in English-speaking countries or regions, applicants should provide the English-teaching certificate(s) or clarification for the latest educational experience.
- 4.Non-criminal records.
- 5.Below the age of 35.
- 6.Good health.

IV.To apply for Chinese language course programs

- 1.Non-criminal records.
- 2.Good health.
- 3.High school graduate
- 4.Below the age of 40.

Programs

Scholarships

Early distinguished applicants have more opportunities to be offered the scholarships.

1. Guangdong Ocean University Outstanding New Students Scholarship

Each year, 10 bachelor students, 15 master students and 10 PhD students will get this scholarship, which covers full tuition and accommodation fee within the prescribed studying period. The tuition provided are detailed as follows: **Bachelor students** will be provided with RMB ¥18,000.00-20,000.00 (All Liberal Arts Programs are RMB ¥18,000.00/year/person, and all Science Programs are RMB ¥20,000.00/year/person.);

Programs

Scholarships

Guangdong Ocean University Outstanding New Students Scholarship

Master students will be provided with RMB ¥20,000.00-22,000.00 (All Liberal Arts Programs are RMB ¥20,000.00/year/person, and all Science Programs are RMB ¥22,000.00/year/person.); **PhD students** will be provided with RMB ¥31,500.00 /year/person. The scholarship also covers RMB ¥1,000.00/month/person for master students and RMB ¥2,000.00/month/person for PhD students as living allowance. Accommodation fee is also included in this scholarship that provides RMB ¥6,000.00/year/person.

Programs

Scholarships

2.Provincial-level New Students Scholarship

Apart from Guangdong Ocean University Outstanding New Students Scholarship, most of the distinguished students also have more opportunities to get this type of scholarship, which grants bachelor students RMB ¥10,000.00, master students RMB ¥20,000.00, and PhD students RMB ¥30,000.00.

Programs

Application Procedure

1. Contact us to confirm your application will. Prepare all the materials shown below and submit. Get your admission/offer. Prepare your bank statement & apply for China Entry Visa. Go to GDOU & register yourself.

Submitting Materials	Language Programs	Undergraduate Programs	Master's Programs	PhD Programs
Application Form	√	√	√	√
International Student CV(In Both English and Chinese)	√	√	√	√
Copy of Applicant's Passport	√	√	√	√
Two Letters of Recommendation by Associate Professors and/or Professors		√	√	√
HSK3 or Above Certificate(If necessary)		√	√	√
IELTS \geq 5.0 TOEFL \geq 70 for non-native English speakers		√	√	√

Submitting Materials	Language Programs	Undergraduate Programs	Master's Programs	PhD Programs
Physical Examination Report	√	√	√	√
Diploma/Certificate	√	√	√	√
Student Academic Records or Transcripts	√	√	√	√
Study and Research Plan	√	√	√	√
Digital Photo	√	√	√	√
Non-criminal Conviction/Police Reports) (Both in English & Chinese)	√	√	√	√

Programs

Application Procedure

2. Deadlines for Applications

Application for spring term should be prior to November 20, and application for fall term should be prior to May 10.

Programs

Fees

If students are not offered scholarship(s), tuition and dorm fees should be paid when registering on arrival at GDOU.
